January 2019 Edition

Room News

Starfish -

We have been very busy making lots of lovely things which include bird feeders, collaging Elmer pictures, snowflake stamping and making snowman biscuits.

The children have explored the sensory tray which had ice and artic animals in, they also went on a hunt in the garden to see how many animals they could find.

Jellyfish and Puffins -

The children created a Elmer picture using lots of colours and making shapes with cotton wool. They have also explored the artic sensory tray whilst watching the ice melt with objects inside them.

Lots of activities have happened throughout January some of which include star potato printing pictures and snowmen out of egg boxes then wrapping scarves around them.

The main story for this month was Elmer in the Snow, we discussed about snow falling from the sky and what marks we can make in it. The children listened and talked about the book it was a favourite amongst some.

Announcements

Please can you bring named coats, gloves and wellies in for your child.

If you have a book bag at home please can your return it to be exchanged for a new book.

Sensory materials - we are looking for donations of these items: wooden items e.g pegs, spoons.

We are still after wall paper donations too.

Security Door

Please do not be offended if another parent closes the door behind them. Remember to use the buzzer.

Thank you

Keeping Safe

'Nappy Sacks'

Nappy sacks have recently been identified as causing suffocation and choking of babies under one-year-old. Authorities in the UK have become aware of at least 17 deaths associated with individual nappy sacks.

Do :

Always keep nappy sacks and other plastic bags and wrapping away from babies and young children

Do not :

Place nappy sacks within babies' reach
Place nappy sacks in a baby's cot pram or buggy
